

## **BEST GLOBAL: Traditional spa experience**

**Where: Écrin Blanc, Courchevel, France**

Why: It's the chance to combine your next skiing trip with the calming and detoxifying effects of traditional hydrotherapies. Écrin Blanc's Aqualudique, Aquawellness and Sport & Fitness centres offer a myriad of treats and treatments, from wallowing in a heated (of course) outdoor pool with an unsurpassed view of the French Alps to soaking away in the caldarium with its steamy thermal atmosphere reminiscent of ancient Roman baths. Also enjoy the sauna, steam room and refreshing bubble baths.
